Doing the Right Thing

Poem
- Doing the right thing
  Is the right thing to do
  Whether you like it or not.
Doing the right thing can go a long way.

Doing the right things keep you from trouble
Just remember that it is the right thing to do.

It can keep you out of trouble and that is the only thing that matters. Be determined and never give up by doing the wrong thing. And again doing the right thing goes a long way...
