Boom! Crash! Thump!
Every night it's the same thing.
  He abuses her
Not just physically, but emotionally.
His words hurtling like a knife through her skin.
  His strength as strong as a racing car.
  Why is she with him?
  Why is her love so strong for him?
  He says he's sorry.
  She believes him.
  He'll never do it again....
  But, he does.
  Boom! Crash! Thump!
  She needs help.
  He needs help.
  She is blinded.
She cannot see what is happening.

  Her daughter is in the room.
  Fight back,
  Leave him
  Boom! Crash! Thump!
  She needs help, but
  She is blind.
