I wish violence
didn’t exist

violence took
my cousin

he didn’t do
anything wrong

just in the wrong place
at the wrong time.

This is why violence
Shouldn’t exist.

It takes
Innocence.

The lives of our
youth.

Mattapan, Dorchester,
South Boston

It’s where nobody
See’s it.

It’s sad.
It shouldn’t happen anymore.

We should all come together
To stop the violence.
