Violence

Pain, suffering, drama

different types of violence;

No one knows where to go next once they experience violence.

How do people know how to stop it?

Why does violence happen?

Pain, suffering, drama

put a stop to it!

Try to get stuff off your mind so you cause a lot of violence.

Does every do it?

Pain, suffering, drama

I feel like I'm broken,

people take their lives because of violence.

Put a stop to violence!

1. Violence has affected my life, by me not being able to know that people can hurt me.
2. Youth violence has cause kids to kill themselves especially bullying.
3. I do after school programs to stop violence.
