Violence is a problem everywhere. It is in schools, the streets, and also the home.

School violence: School violence is bullying there difference types of school bullying. There is cyber bullying verbal bullying. Bullying is not a good thing. Bullying is so bad they had to make it elegiac because kid was being bullied to the point of suicide.

Street violence: There is violence in a lot of some city. The violence on the street is gangs, drugs and getting robbed. The gangs do a lot of robbery with guns, deal drugs to people and kill other gangs.

Home violence: Home violence is abuse or neglect or something both neglects and abuse. A lot of kids get abuse or neglect but there don’t talk anyone because maybe there are too scared of what would happen to them and their parents. Abuse and neglect is not right. Some times the parents come home drunk and they hit their kids or parent would neglect their children by locked them in a closet and gave them little to no food.

Violence isn’t right stay out gangs and doesn’t drug’s or drink. Speak up against bullying and speak up if you were abuse or neglect or if you know some one who was abuse or neglect.
