Violence is bad!!!

People, police, even army try to stop the violence. Violence goes with bullies. People get mad then they hurt someone.

I don't know what to do about violence because I might get hurt. So, I think violence should stop. No one wants people to die or hurt.
I don't like violence. Violence happens often at times. Why does violence happen? It can be stopped easier.

People often want to get revenge. People get into trouble with others. Sometimes they get into trouble with someone. I don't know what to do about it. I think violence keeps it up. People must get help or not do that.
