Do the Write thing Rap:

Have you ever got into a scary situation, you really didn't want to be in that position, have you ever noticed that when you were young, everyone started to call you dumb, have you ever noticed that kids fight over girls, they make you spin and swirl, they are bad, they are clever, violence is never a way to be so better.

"So you should always do the write thing."

Have you ever thought that you were not number one, have you ever thought that you are never going to be fun, have you ever threatened to kill yourself with a gun, before you try to do it just remember that you should not get mad at something that you haven't done. Once again, you should always do the write thing."
Do like this thing pole.
