Violence

Violence is terrible for the mind
Violence can be fixed
Violence is bad
It makes me mad
It makes the victim sad
It makes the bully glad
I hate bullying

Bullies don't come out to nothing
Bullying is something
Big fat bully's wear hoodies
And say you're a goodie
I hate bullying

They don't amount to nothing
Do you think she/he is something
Don't be scared, don't be worry
Don't be sorry
