I herd that violence has been effecting other peoples lifes. This is very effective to other people's life. Violence is really base on hurting or bullying somebody. This is very hurtful to people and could hurt people's lives. I think this is not ok! And it should stop now. If you want to stop this help the community by stopping violence. This is going to prove that this is really dangerous to people. Violence in my life has been effecting me because of people in my neighborhood. Learn more on the next page.

Do you like to be bully? Ask
You yourself the question and stand up for yourself. If you're in a problem that somebody wants to bully you, try to tell a teacher or an adult. That is the best way that I stayed safe and not in danger. When I was bullied, I ask myself do I like it? If I was bullied, violence is not a good thing to encourage or achieve. Violence is really harmful to the world and could mess up people's lives up, like mine. This could effect people even that you live next to. Do not try bullying because it could effect people, even people that you live next to.

Do you want to listen to other people that give you a bad suggestion? Think about your torture, and how you're going to live during this night mare. People in the neighborhood
Sometimes smoke, drink, and fight. Should I go near them, well don't!!! I could get in a lot of trouble. This is really bad because I might get influence to do it, and think it's ok. Then next thing you know, Pow!! I punch somebody in the face because I thought it was cool to do it. Well think again. Violence is something you should not do. Well, come on and fix your mistakes.

Should I do the right thing or not? Well you should because you should help people get out there problems. But if it's a serious problem should I help? If there was a big problem, I wouldn't go in, should you? No!!! I could get in big trouble. That's why I talk to my parents what I did wrong and now I fix my problems. Try not to get into problems, if it was me, I would mostly tell...
the teacher or an adult to stop preventing violence for my own good. When you see this in any where, try to stop this. But, don't get hurt.

Try and try your best to reach your goal. I have been getting close of meeting my goal. I'm going to increase my goal so it would not be a problem for me in the future. Also, I went to my house to talk to my family about how can I control myself. Finally, I have reach my goal and redeem myself to control myself. That's why I know my expectations of what to do. If you can't control yourself, tried to think it over and fix it. This is how we could all change the world together.
