Jamie Laing: do the write thing: stay in school

Stay in the place that could help you for life
Don't do the wrong thing and skip this place
Do your work what should I write? What should put down on this blank piece of paper?
Don't do the wrong thing and stay on the streets
Do the right thing and say no to smoking and drugs
Stay in the place that could help you for life
Do the right thing and do your homework everyday
Stay on the path of success
Do the right thing
Stay in the place that could help you for life.
