Violence can harm you
in so many ways.
Violence can break your family part.
Violence is not fun.
Violence can hurt many things.
Violence is way too many problems those tears hurt.
Not everyone has that smile. simile
No more, tears as waste.

Violence can bring many you through many problems.
Violence bring wrong though wrong through can hurt.

Violence can hurt anybody
Those tears and heartbroken
Killing and separate families
Friendships. Violence is no fun neither a game to play.
