Violence!
violence is harmful, hurtful, and powerful

violence can be painful like
a rat getting trap
with no where to go
And no where hide

violence can hurt like
someone getting killed in
a battle filed
feeling the pain thought the way
It stays

violence is powerful
but not Impossible
you can stop it by-
speaking up for yourself and others
don't try to fight it back-
because it just makes it worst

violence is everywhere
anywhere
watch out you never know if it happen to you
In this sentence, the word "sentence" is spelled incorrectly.

A few words are written on the page:

- "sentence"
- "words"

The page seems to be part of a notebook or a handwritten document.
