Violence

Violence is everywhere no matter what people do. People will always be cruel. I feel like there heart is telling them to do it. And a bully will not stop.

Yell, yell, yell the bully doesn’t stop because he has a very cold heart. People think violence is the way to solve thing I think violence does not solve anything.
Violence.

Violence is everywhere. We see it every day in the news and on social media. It affects us all. I feel like there's a lot of tension and anger in the world.

Will we ever learn to live in peace and harmony?

Tell, tell, tell, the bully
does not stop because of age. And cause I think violence is the way to solve things. I think violence goes not solve anything.
