VIOLENCE

Violence is not the answer,
It is not the key.
Violence does not open doors,
It only hurts you and me.
Then what?
You did the crime, now you have to do the time.
All for what?
You were too afraid to turn the other cheek,
To afraid to ask for the help you seek.

Violence is not the answer,
You have choices; you have choices
Use your head.
Think before you leap.
Don't do something you will regret.
Don't feed into the madness.
We all have problems,
It's how we solve them that makes us unique.

Violence is not the answer.

Help is what you seek.

Stop the violence and be unique.
