How does violence affect us?

Youth violence hurts us all.
Sometimes it causes many injuries or even deaths.

It is devastating for parents to their child get hurt.
Some parents see deaths.

Many bullies do time.
When they commit devastating crimes such as death, stealing, and physical abuse.

Youth Bullies ruin lives.
But sometimes change their own bad crimes.

Violence has affected us.
In a way that we have learned to trust.

When kids get hurt about what they wear.
Bullies I think you have to hear...
You are being very unfair.
What causes youth violence?

Bullies try to be cool.
But instead they act like a fool.

Youth violence on the streets.
Only for a pair of stupid beats.

It starts with a great desire.
When kids only want to a buyer.

Youth violence makes kids scared.
That's why them sharing is so rare.

Bullies call us names.
But they are the ones who are to blame.

They make kids not grow.
But they honestly even know.
What can we do about youth violence?

Youth violence can stop in many ways.
But we can’t wait another day.

Bullies think we’re going to stay.
But their actually in our way.

Do not pop.
When they say stop.

We need to work on it today.
So please don’t go astray.

They can talk about your clothes.
But just let that one go.

We still exist.
So don’t let them add you to their list.
