VIOLENCE
Violence hurts.
Violence brings pain.
Violence is destruction.
Physically and emotionally violence would be there.
Violence at one point brings you to believe that you are worthless.
You are not worthless.
Violence will bring pain.
Over the time you will heal.
All the pain and suffering will vanish.
Violence on tv, home, street, real life.
You can set violence aside or become one with violence.
You have the power to stop violence with a small action.
Small action helps stop violence.
Violence can be stopped because of you and only you
