Poem of Violence

People 
Human Kind 
support or think 
violece 
is the answer to these problems 
These poor kill the live of 
Inocent Families and kids 
But each and every one of them have 

Hope 
The sooner they each have 
Hope 
The only reason they live on
No one can give it up 
No one can share it 

Violence ... 
Hope ... 
Both will never leave 
Us and the world
