What are the causes of youth violence?

Violence has caused a lot of bad thing but violence has also cause a lot of good things.

One bad thing that violence has cause is people dying. A good thing that violence has cause is killing Osama Bin Laden.

How has violence affected your life?

Violence has affect my life by making me scare of letting my grandmother go the store alone and walking outside when it's night.

What can you do about youth violence?

I can tell my friends that are using violence to stop using it. To stay in school and not to be a fool outside and not to do drugs.
