How violence effect my life

Some people like to kill
Some people like to steal
Some people wish they were dead
Some people shoot themselves in the head
Some people like to use guns
Some people are all ways on the run, run, run

The end

Sincerely: [Signature]
House prices gently pull up.

Some factors include:

- Economic growth
- Low interest rates
- Shortage of houses

Interest rates increase, house prices stabilize.

1st Grit
