How has violence affected my life? Well, violence affected me in a lot of ways. On the story I'm going to tell you is about my mom.

Well, my mom was buying drugs from people and fighting with other people because of my mom's debt. She owed the drug money. So they put me in a foster home. She owed to her dealer.

So as a result, they put me in foster home.

Now when I see my mom, I feel happy because she is no longer involved with violence.
