1. Violence is not the answer for all your problems
   Violence is not a joke
   Violence hurts more than you think
   It causes pain, it makes me hurt
   To see violence on the streets
   To see young people in my school getting themselves hurt

2. Violence has affected my life
   by moving place to place because of violence
   And it still follows me here
   I'm scared to walk alone
   because everything I've been through

3. Violence is caused by mental and physical abuse
   being bullied at school
   Can make you want to hurt someone

4. How I can stop violence
   is find the something for them to do like
Give them jobs or fun things to do

So they can stay out of trouble
