0 The Violence of youth stars like being for no reason a friend and then your friend the you fight. What a cam with friend of him and then they punch you like you punch him. End that has a stars Violence youth.

1 You paint the Violence by playing extreme irish games like going and firing, robbing a car and punching them and then you thing the is real and you do not end you do what is in the game. But if you do not think they will not think you my be you are creci. End that is hao you paint Violence.
