The Vent

Rosies are red
Blue just like the kid whom
been beat,
The struggle is real,
I'm scared to walk down my street
that's just how I feel
kids forced to sell drugs,
they've never gotten love
or even a hug
Teens just want to provide
but drop out of school so
they can't even divide,
Is this how we want to live?
Stick in a bad place
divided by race
no chances
no opportunities
Terror in the hood
from what I see there is
nothing good
My eyes
My emotions
scarred for life
Am I going to end up this way?
my mom disappointed
her head bowed
without a word to say
can I change my fate?
taking the right steps
or am I going to end up dead
in front of the pearly gates
the vivid pictures of violence
is it ever going to die out?
so we can have a moment of silence
how can we stop this monster?
can we act like David
and beat Goliath
no one can stop us
let's do the right thing
in order to stop this
I am not going to copy the words.

You are welcome to help me with it.

I am going to write it up myself.
